COUNTER APP — TALLY & CLICKER · PRINTABLE SHEET

Class Attendance & Participation Tally

One week: attendance code and a stroke per contribution

HOW TO USE

1. Write student names once; the sheet covers Monday to Friday.
2. In each day's Att. column write P (present), A (absent) or L (late). In the tally box add a stroke each time the student contributes.
3. On Friday, total days present and participation strokes. Use the totals to notice who has not been heard, not to grade.
