COUNTER APP — TALLY & CLICKER · PRINTABLE SHEET

Photo Gear Out-and-Back Checklist

Count it out, count it back, note condition

HOW TO USE

1. Before leaving, list each item with its serial or label and the quantity packed.
2. When packing up on site and again at the studio, count each line back and tick it.
3. Note any damage, missing part or item that stayed with a client or rental house.
