COUNTER APP — TALLY & CLICKER · PRINTABLE SHEET

Travel Departure Checklist

Pack it, then check it again when you leave each place

HOW TO USE

1. Cross out what you do not need and add your own items in the blank rows. Write the quantity you are taking.
2. Tick Packed while packing. Tick Leave each time you leave home, a hotel or a hostel, after a last look round.
3. Count multiples (chargers, adapters, socks) instead of just ticking, so nothing stays behind.
